

This document gives an overview of MeddStore stock, inventory and ordering modules.

MeddStore Stock, inventory & ordering_v1.1

|MeddStore:

Introduction

To support healthcare there is a huge amount of material and equipment used from sterile drapes for operations, caps for drips and the most expensive medical assets. Expensive disposables with an expiry date mean that if an operation is not carried out before a certain date, an expensive piece of equipment just gets thrown away....

9 MeddStore
